Welcome to St. John the Baptist - otherwise known as Barnet Church! It's my huge privilege to welcome you, this Barnet Christmas Fayre. If we haven't been introduced yet, my name's Father Sam, I'm the vicar here at SJB.

We're delighted you've joined us to hear the wonderful music offered by amazing local choirs and performers. We also hope you'll join us for community carols at 5pm!

At SJB, one of our passions is to encourage our community, any way we can. As far as we're concerned, you're our extended family - and we're so grateful to welcome you to our home for an afternoon of music, mulled wine, delicious cakes and soups that our church team have been working hard to make.

We believe that God's love is best known in a loving community. It's why our mission is 'supporting Barnet to walk in God's footsteps. We're a family of people from all walks of life, who are passionate about sharing God's love, and we do that by inviting everyone in Barnet to know that you're loved and welcome, just as you are (to sort of quote Bridget Jones...).

So enjoy the music, mulled wine, cake, and soup. There are loads of people from church here to help, so catch anyone with a name badge if you've got any questions or you need anything. Most of all, know you're welcome - and come on back again. You'll always be welcome here. We've got loads going on over Christmas (which you can see towards the back of the leaflet) and plenty going on the rest of the time, too.

From all of us at the SJB family, welcome!

Father Sam

THANK YOU FOR YOUR SUPPORT AND KINDNESS FROM ALL AT SJB

The Big Choir is a warm, welcoming fundraising choir with a big heart and an even bigger purpose. Since 2016, our singers have proudly raised over £420,000 for life-saving cancer research at the Francis Crick Institute in Kings Cross.

You don't need any previous singing experience to join us, just plenty of enthusiasm, a love of music, and the willingness to learn. We move quickly through new material, so members do need to spend some time practising at home and learning to sing their harmonies from memory. We provide all members with MP3s and lyric sheets, but no sheet music. It's quite a commitment, but we promise: the feeling of singing confidently together is so worth it.

If you're looking for a friendly community, a good challenge, and the chance to make a real difference simply by singing, you'll feel right at home with us.

To book a free taster, please book via our website www.thebigchoir.org. Our next term starts on Thursday 6th January. Merry Christmas everyone.

N12 COMMUNITY CHOIR

SOH LAH TEA AND BISCUITS

Celebrating Music and Community Spirit at St John the Baptist Church

The N12 Community Choir is delighted to be performing at St John the Baptist Church as part of this year's Barnet Christmas Fayre. As a large and lively group of singers, we take immense pride in bringing people together through the joy of singing.

We are a welcoming community choir who meet every week at St Barnabas Church in North Finchley, sharing our love for singing and friendship. Our repertoire is wonderfully diverse, ranging from pop and rock classics to musical theatre favourites, jazz standards, gospel and timeless folk songs. There's something for everyone to enjoy, whether you're a seasoned music lover or just love the magic of singing together.

It's a real pleasure for us to be invited to take part once again, celebrating the festive season in such a beautiful setting. We look forward to sharing an afternoon of uplifting music with you all!

Music for everyone

We believe that every child, regardless of race, gender, where they live, their levels of musical talent, parental income, whether they have special educational needs or disabilities, and whether they are looked-after children, deserve the very best music education.

BEAT's mission is 'To provide the focal point for high quality musical opportunities in Barnet'. We are an education-focussed charity which enables children and young people from all backgrounds and every part of Barnet to deepen their enjoyment of music and to progress to the highest level of excellence. We do this by offering all the core roles as set out by the National Music Plan plus a wealth of extension roles. We have a robust ensemble provision through our three music academies in Mill Hill, Hendon and East Barnet, where we offer progressive routes right from our youngest members aged 4+ right through to A Level Music.

The Barnet Band is a community wind band run by its members. It was established as a brass band in 1889 and in 1983 the band became a wind band. We play at least one formal concert per year, fundraising for local charities in addition to an annual summer programme of outdoor engagements. Over the years we have raised many thousands of pounds for good causes.

The Barnet Band welcomes all players. Anyone interested in joining is invited to come along to a few rehearsals to try out the band. Visit www.barnetband.org for more information about the band and to see details of our performances.

The Barnet Band is conducted today by Bożena McElroy.

Our next engagements include Holocaust Memorial Day on Sunday 25th January 2026. We're currently planning a March 2026 concert; so please keep an eye on our website. We will also be playing at Hampstead Garden Suburb Summer Fair on Sunday 7th June.
